

# Christian Education

Continuing on each Tuesday in March  
at 10:00 a.m. in the Council Room

Pastor Dave will lead a lectionary-based study  
and devotional experience for Lent.

*Word for Lent* Adult Study is a spiritual encounter that engages the heart and opens the mind, combining the Gospel's witness with reflections on a stunning and intricate stained glass masterpiece. The DVD-based materials are similar to what we used during Lent a year ago that so many responded to with wonderful comments.

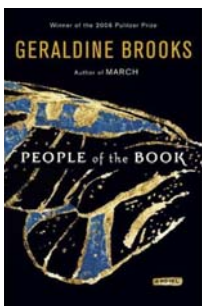

Come to one session or come to all the sessions. Bring a friend or come and make a friend. Come and open your mind and heart to the moving spirit as shared by the Gospel written by Luke and the beautiful stories that sustain our faith.

"The greatest gift is the  
passion for reading.  
It is cheap, it consoles,  
it distracts, it excites,  
it gives you knowledge  
of the world  
and experiences  
of a wide kind.

It is a moral illumination."
