Please join us for a look at Christian Clowning programs and how they are faith based and fun! One of the best ways to reach people and get messages across is by making them feel comfortable, making them laugh, and allowing them to enjoy the world around them without any pressure. Christian clowning is just that - it is a way to get people to loosen up, enjoy themselves, and have fun in a way that is wholesome and exciting.

We have a number of people in our wonderful congregation who have been, or still are, clowns. **We invite ALL of them, and all of YOU, to join in our celebration of Christian Clowning**
