

# Christian Education

## ***Basic Beliefs of Presbyterians ... and the questions we ask.***

Taught by Dave Van Arsdale over four weeks on ***Tuesday mornings at 10:00-11:00 a.m.***  
***In the Council Room***

**(January 31, February 7, 14, and 21).**

Come to one session or come to all four sessions.

The course will be different from previous presentations. We will specifically address questions Presbyterians ask during their faith journeys. What are your questions, what kinds of things have you always wanted to ask about but never had a chance, and finally we will seek to review the basics of our Christian faith as seen through “Presbyterian eyes”.

The assumptions are that there will be no dumb questions and as we grow in our knowledge our faith becomes more meaningful. This will also be a great review for those who would like to move to a deeper understanding of Presbyterian Beliefs.

***“The Anchored Word”***  
***Come, join in this lively discussion group,  
all are welcome!***

**Drop in for a cup of coffee and join in the conversation on Sundays at 8:30 a.m. in Illingworth Hall.** This drop-in group is open to all members of the congregation and each week’s discussion is on a new topic.
