

Welcome from Dave

I am glad you have come our way and hope that you will be a part of our journey as we seek to be a people and place of God's presence in our community and the world. Whatever you have going on in your life, good or bad, bring it to church. At Faith Church you can expect to be welcomed, uplifted, and rejuvenated.

We are just people. We make mistakes. We do not have all the answers. But we do have some crucial answers – answers that are not rooted in a creed or rules, but in a living God. We have learned that by God's goodness to us, life can be exciting, meaningful, fulfilling, and encouraging. That does not mean we do not face hard times; we do ... and we celebrate together that we are never alone, God is with us.

Each week, we come together to experience God's presence and connect again with the goodness of God's plans for us and for others. We often find we are moved with passion for life and compassion for others.

I invite you to come with us on this exciting journey of faith, community and service! If you have any questions about anything you discover while visiting us, please don't hesitate to contact us. Come and taste the goodness of God. I think you will be very glad you did. Certainly we will be glad you were part of our community.

Grace and Peace,
