

Stewardship 2011-12

“Faith Generosity to God . . . Time, Talent, Treasure”

During Advent we await the celebration of the birth of Christ. Each week we add one more lighted candle as we bring the light of Jesus into our lives. We have now witnessed the light of Jesus and His shining light will watch over us all in the years to come, 2012 and beyond.

This is also the season of giving. At this time we wish to give personal recognition to those who served and those who assisted in the 2011 - 2012 Stewardship Campaign. The up-date which shows the outstanding results of our emphasis on giving can be found in the weekly bulletin. We are well ahead of last year's results for the same period. As Pastor Dave has said "We had the highest number of increased pledges and the highest number of new pledges in years".

On behalf of the Session and the Congregation let us thank the Committee and give personal recognition to:

**Gil and Judy Bowers * Beth Cook
Jim Jensen * Chuck McCracken
Donna Martin * Eleanor Marshall-White
Stephanie Murphy * Tal and Vi Rice
Joe Trovato * Hope Underwood
Dick and Kathryn Vegso**

These people and others are helping to bring light to the Missions that we serve. In addition to those named above, Committee Chair Persons and others helped with the Mission Fair, pledge letter signing, and the phone-a-thon. Our thanks, with wishes for a blessed Christmas / Advent Season and a peaceful 2012.
